

Harvest Air

Missionary Aviation Support

Serving those who serve the Lord

ON COURSE ON GLIDE PATH

June 2006

Pilot's Log

We just completed another trip to the States to raise some of our budget for the year. I would like to say thank you so much to all the pastors that gave us an opportunity to share with them this year. It is always a pleasure to see each of you and the new things that God is doing in lives. We have one new church and two new pastors that we would like to welcome to the Harvest Air family.

Welcome Pastor Mark Northcut and the congregation of Athens First Assembly of God. Thank you for sharing your Mother's Day service with us. We appreciate the opportunity to partner with you in ministry.

We would also like to welcome Pastor Sean Faircloth and his congregation from Living Faith Church in Guyton, GA. We have been involved with this group for several years now. However, this was our first opportunity to meet their new pastor. We hit it off right away. It did not hurt at all to find out that he is a SCUBA diving nut like me.

An Evening in Puerto Rico

We would like to thank Wade and Bebe Gastin for hosting a fund raising dinner for Harvest Air. The dinner was held at the Grand Lake Lodge and Spa at Southbridge. The theme of the dinner was 'Evening in Puerto Rico.' We enjoyed a delicious traditional Puerto Rican dinner and fellowship before we introduced our guests to the ministry of Harvest Air and opportunities for them to partner with us as we serve God's people in the Caribbean. We look forward to more opportunities to share Harvest Air with businessmen and women in your area. If you would be interested in hosting a dinner for Harvest Air or having us speak at your church, give us a call. We would love to hear from you.

Upcoming events

Ronald Bigbie will be joining us for a trip to Port de Paix, Haiti from the July 3rd to the 5th. We will be delivering a plane load of supplies to In The Father's Hand Children's Home and Grace Children Adoption Home.

Because of the unavailability of equipment and personnel the Haiti Well Project has been changed to the Desalinization Plant Project.

Pastor Alan Kea will be flying in with Matthew Ledford and his group from Hazlehurst Church of God to present a check to In The Father's Hand Children's Home for the desalinization project in Port de Paix. Matthew has raised more than \$5,000 for well and water projects in Haiti. We will spend three days constructing the building that will house the desalinization plant.

Baby at Grace Adoption Home in Port de Paix

On the 22nd of July we will take a youth group from Calvary Chapel in Puerto Rico to the north coast of the Dominican Republic for their annual mission trip. We will return on the 28th.

Thank you for your continued support.
Serving those who serve the Lord,
Tim and Sharon Tuinder
