Missionary Aviation Support

ON COURSE ON GLIDE PATH

March 2003

Pilot's Log

God is continuing to bless Harvest Air as we prepare to leave for Puerto Rico.

1) We are leaving ahead of schedule. In our last letter we mentioned that we would leave in July. We are now leaving in May.

2) We just completed the aircraft lease.

3) The aircraft insurance policy was completed yesterday.

4) The owners accepted our bid on a house about 12 miles from the Fajardo airport.

5) The airport now has fulltime U.S. Customs agents. So we can come and go from any country in the world and clear customs at our home base.

6) The U.S Navy hospital provides health care to military retirees through Tri Care insurance.

7) We found a mission center to house teams that fly into to minister in the Caribbean.

Please continue to pray for the necessary finances to meet our monthly budget of \$4,200.00.

Thank you all for your continued prayers and support. We love you all and we know that without you none of this would be possible.
