

# Harvest Air

## Missionary Aviation Support

Serving those who serve the Lord

### ON COURSE ON GLIDE PATH

September 2004

#### Pilot's Log

##### New Partners In The Harvest

We were so thankful for the opportunity to make presentations about Harvest Air in two new pulpits. Tim addressed the Spanish speaking congregation at Iglesia Evangelica Unida de Puerto Rico through a translator on Sept. 5<sup>th</sup>. It was a day of double blessing as we experienced the anointed message of Corey Russell, visiting from the International House of Prayer, St. Louis, Missouri. We look forward to serving along side Pastor Ivan Garcia.

On Sept. 8<sup>th</sup>, Pastor Dan Crespo and the family of Calvary Chapel made us feel right at home. We began with a warm cup of coffee in their coffee house, The Clay Cup, moved to a refreshing time of worship with their Youth Band, and ended with a generous love offering, a mission trip booked to Dom. Rep., and Dr. Earl Edwards offering to provide us with health care. What a mighty God we serve!

##### Hurricane Jeanne, Dress Rehearsal

We experienced our first hurricane, Jeanne, since moving to the island. We are thankful that winds were only at 70 mph. when she blew past our house. We considered this as our dress rehearsal. "Now we know where our house leaks! The bedroom windows of our house are only equipped with screens. We would love to be able to purchase glass and storm shutters before the next hurricane. Wringing out towels and placing them back in the windows to soak up the water reminded me of my childhood in Okinawa, Taiwan, and the Philippines during monsoon season. See, God uses every experience to prepare you for His purpose!

#### Upcoming Events

##### October

Hurricane relief flights to Grenada.

Four flights to St. Croix to move kids to youth camp in Puerto Rico.

##### November

6-10, Sosua, Dominican Republic.

Calvary Chapel of Puerto Rico

18-21, Santo Domingo, Dominican Republic.

Iglesia Evangelica Unida

#### Prayer Requests

1. Prayer Partners
2. Financial Partners
3. The People of Grenada
4. God's guidance as we grow

#### Giving Opportunities

We are in the process of delivering plane loads of supplies to the Hurricane ravished Island of Grenada. We have made several trips and delivered more than 2000 lbs of food and general supplies. We are preparing to leave again next week for about three days. Our greatest challenge at the moment is finances to purchase the fuel necessary to complete the trips. We are trying to raise \$3,000.00 to support two more round trip flights. For more information about the devastation in Grenada please see link on the bottom of our home page at [www.harvestair.org](http://www.harvestair.org). All contributions are tax deductible.

Thank you for your continued support.

Serving those who serve the Lord,  
Tim and Sharon Tuinder
